**Newsletter:** Again if you are receiving this newsletter in the mail and have email, please forward your email address to me at the above email. The price of stamps will be raised again in the next few months. The camp spends approximately \$60/month on the newsletter alone X 11 issues = \$660+/year. We will probably have to start looking at mailing fewer and/or having some printed to be picked up at the next meeting in order to try and cut some costs without raising camp dues.
