"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish."

Next Meeting: June 18th at 6:30 pm. We will meet at Fuddruckers.

Speaker: Jack Marlur, SCV Field Representative will speak about "**Confederate Patent Office**" and will bring items for sale.

Welcome new compatriots: Charles Ray Merck, Jr., Michael Vandiver Hilley and Gary Farmer.

Dues: Renewal notices will be sent out soon. Please be on the lookout for these and remit your dues to avoid late fees.

Youth Day Camp: We will discuss the planned Youth Day Camp during the June meeting. We have scheduled the Day Camp for August 29th 2009 at the same location as last year. We will need volunteers again to make this another successful event.

Meeting location: The camp voted last month to prepare to move to a new meeting location due to our current location not welcoming our flags. Several compatriots will present some possible meeting locations for discussion. If you happen to know of suitable locations please present any information you may have for the camp to consider. We have outgrown most places we know of in and around town and will need to find a location we can stay at for awhile. If anyone knows of a church or other club meeting locations we could use, please investigate these possibilities.

Battle of Oconee: Will be held July 18th-19th, 2009 at the same location as last year on Horseshoe Bridge Road outside of Westminster. Anyone wishing to help with parking please let me know. For more information concerning the re-enactment please go to www.battleofoconee.com.

Newsletter: Again if you are receiving this newsletter in the mail and have email, please forward your email address to the editor, in an effort to reduce our mailing costs. As you know, postage went up again in May to .44 cents.

Times are rather difficult right now for a lot of people. However these small troubles are nothing compared to what our Confederate Fathers and Mothers went through. Crops, land and homes were gone and 1 out of every 5 men of fighting age are dead. It took generations to recover in some places, yet they endured all for love of God and Country. We will also endure.

We lost two compatriot's and true hero's this past month, Marion J. Bolt (May 12) and Sam Hobson (May 24). Mr. Bolt was a Korean Veteran and Mr. Hobson was World War II Veteran. Both of these fine men will be missed.
